Amendment to bye-laws

M 7 The 15th proposed does not seem to be correct.

The bye-laws may run :—

The Rent of Shops for Serials as noted below 15 As.

Here the words shall be are omitted from replacing it. After Serials there seems to be no place for substitution of the words "in the Municipality". Here this seems to be a mistake "for the present" which would give some meaning. This seems the proper one as the bye-laws [illegible] Change from being to [illegible]

It seems to me unnecessary to keep up the pressure. Either the Minute may be worked to explain the above, or the amendments may be passed without the last amendment referring to byelaw 15.

To The Dy. Commd

Sir,

With reference to your letter No R.O.C. 1552/24-25 dy the 18th Decbr 1924 requesting sanction to the amendments to the Bye-Laws for licensing, regulating and suppressing certain kinds of business framed by the Municipal Council of Bowanipore under Sect 48(1)(a)(b) - I am directed to state that the amendment to bye-laws No 15 proposed does not seem to the Council Hr. Bye-laws as framed by the Municipality in the Schedule appended to the Municipal Act [illegible] the scale of gate fees leviable

as printed below. "15"

Here the words "shall be" are omitted and every reflecting item after "Executive" there seems to be no place for inclusion of the words "For the President" here. This seems to mean "for the present" which would give some meaning. This seems to be unnecessary also as the By-laws and the rules may be changed from time to time and it seems to be sufficient to say "for the present". I am therefore agreed upon it. With the exception the necessity for such amendment I have
